

National Engineering Design Student Competition Guidelines

Consent form for the use of photographs or video

SECME, Inc. recognizes the need to ensure all young people's welfare and safety taking part in any activity associated with our organization.

Photographs/videos of your child participating in SECME activities and competitions are often sent to our National Office. The SECME National Office will not permit photographs, video, or other images of your child/ren to be posted as listed below, without the consent of you, the parent/caregiver. As your child will be taking part in the SECME program throughout the 2020-2021 school year, we would like your consent to take and/or post photographs/videos of your child. These images may likely be used as:

- a record of the activity or the event
- in a written evaluation report of the activity or event
- publicity material for further activities or events on leaflets/websites/magazines or other forms of social media
- future grant applications

We would be grateful if you would return this form to your child's SECME teacher. They will forward the form to our office.
